NG Huntsville Campus Security Information for Visitors (Domestic Only)

Visitors must have required information for gaining access to the facility, i.e., current valid photo ID (drivers license, military/government ID card, passport). If the visit is to attend a classified meeting, clearances should be sent as instructed below. To confirm VAR, contact Leah Brannon (256-830-3548)

The preferred method for sending/receiving visits is via DISS (SMO Code 9F9096). Visits may also be sent via fax to (256) 830-3265). Visit requests must be on company letterhead and be signed by the Company Security Manager if being faxed.

Information required:

- | | |
|----------------------------------|--------------------|
| ✓ Full name | ✓ Date(s) of visit |
| ✓ Date and place of birth | ✓ Point of contact |
| ✓ Citizenship | ✓ Purpose of visit |
| ✓ Clearance level/Issuing agency | |

Security Rules

- ◆ Prohibited Items: Weapons, alcohol, illegal drugs, and explosives of any sort are prohibited. Cameras and tape recorders are also banned from the facility unless advance coordination was made with the security office.
- ◆ Escort Requirement: If you are provided an ESCORT REQUIRED visitor badge, please assist us by always staying with your host.
- ◆ Package Inspection: Be aware that perimeter security may require package checks. Please cooperate with the security officer or receptionist as they perform their duties.
- ◆ Please display your badge at all times on site.

Customers, Suppliers and Guests

Northrop Grumman Corporate Procedure prohibits connecting non-Northrop Grumman equipment such as, but not limited to, laptops, PDAs, removable drives, thumb drives, and MP3/iPod players to company computers and networks.

Choices for presenting non-NGC material are either by sending via email to your host or you can connect your laptop directly to the projector.

Safety Precautions

We hope that your visit with us will be productive, safe and secure. If during your visit, an emergency occurs, you are requested to follow the instructions below.

- ◆ Your personal safety is of primary importance. Please take a few moments as you enter the facility to become aware of your surroundings and the route you are following. Look around the area you will be visiting for identified building emergency exits. Emergency exits are located around the perimeters of each building. Evacuation maps are also posted throughout the facility.
- ◆ In the event you hear a public address, fire alarm, or bullhorn announcement directing you to evacuate the building, calmly, but immediately, proceed to the nearest exit. If you are unaware of the closest exit, please follow the employees who are also exiting. Please remain on site until we complete our accountability procedure. Please identify yourself as a visitor during this important process.
- ◆ If during your visit you see an unsafe condition or require emergency assistance, pick up a phone and dial 911.

Foreign Visitors: Please coordinate with your Northrop Grumman host

NORTHROP
GRUMMAN

The logo graphic consists of a thick white horizontal line extending from the end of the word "NORTHROP" to the right. From the right end of this horizontal line, a thick white vertical line extends downwards, ending at the level of the word "GRUMMAN". This forms a partial square or L-shaped frame.
